### *Provenance*

It is not known when the papers of M. B. Adams were placed in the care of the Georgetown College Archives. When President left Georgetown College in 1930, his correspondence and other papers were probably stored at various places on campus. At some point, they were deposited in the Cooke Memorial Library where they remained until the Ensor Learning Resource Center was completed, and they were transferred there in 1998. The papers were opened for research in June 2000.

### *Biographical Note*

Adams served as president of Georgetown College from 1913-30. He was born in 1869 in Clarksburg, West Virginia to John Browning and Martha Columbia (Holden) Adams. He attended Broadus Classical and Scientific Institution, Clarksburg, 1888-90, and Southern Baptist Theological Seminary, where he received the Th. B. degree in 1893. The New Castle Baptist Church, New Castle, KY ordained him in 1891. He served as pastor of the church until 1893. When he left, he held pastorates at North Fork Baptist Church, Mason County, KY, 1893-98, and First Baptist Church, Frankfort, KY, 1898-1910.

Adams served as corresponding secretary (1910-13), vice president (1918), and president (1918-22) of the Kentucky Baptist Education Society of Kentucky. He was also president of the Kentucky State Baptist Young People's Union, 1889-1904; president of the Kentucky Anti-Saloon League, 1900-07; and assistant moderator of the General Association of Baptists in Kentucky in 1909. He was president of the Southern Baptist Convention's Standardization Commission, 1923-27; chairman, Kentucky Commission for the Selection of Rhodes Scholars, 1913-19; president, Kentucky Association of Colleges and Universities; member, Kentucky Education Association; and president, Southern Baptist Education Association, 1926-28.

As president of Georgetown College, Adams abolished the old Georgetown Academy, which had been a part of the college since its founding; gained accreditation for the college by the Association of Colleges and Secondary Schools of the Southern States and membership with the American Association of Colleges; built a new gymnasium; briefly banned fraternities; endowed a chair of Bible and Religion; the first college drama group, (The Maskrafters), was organized; an International Relations Club is started; and the Old Female Seminary property was sold for use as a Georgetown City High School.

The correspondence and subject files reveal his extensive activities as president: Baptist relations, student recruitment, student discipline, fund raising, state, national, and Baptist education, campus activities, social issues, and others.

### *Subseries Description*

**Subseries I**    Boxes 1-26                      Correspondence, 1915-29

**Subseries II**    Boxes 26-27                      Subject Files, 1915-30

The subject files cover special topics that Adams wanted to keep track, such trustee meetings, faculty committee, and the budget.
